

Assumption of Risk and Waiver of Liability Relating to Coronavirus/COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the WHO. COVID-19 is extremely contagious, especially since people with the virus can be asymptomatic, and those who contract it can experience severe health impacts. Federal, state, and local governments and federal and state health agencies recommend numerous mitigation measures, including social distancing prohibiting the congregation of groups of people, wearing face masks and increasing the use of sanitizing and disinfecting products on all surfaces where the virus may linger. Las Vegas Sports Academy, Vegas Cup Spring Classic, have implemented new cleaning, disinfecting and use protocols consistent with these recommendations and has put in place additional preventative measures to reduce the spread of COVID-19; however, tournament organizers cannot guarantee that you will not encounter or have contact with persons or surfaces infected with COVID-19 from the use of its facilities and equipment. This document provides notice that attending the Vegas Cup Spring Classic may increase your risk of contracting COVID-19 and may increase the risk of transmitting COVID-19 to others, despite the tournament organizers best efforts to minimize those risks. You are advised that you are attending the Vegas Cup Spring Classic at your own risk.
